

# First announcement

## *Lattice 2011*

### *The XXIX International Symposium on Lattice Field Theory*

The Lattice 2011 conference will be held at the Village at Squaw Valley, Lake Tahoe, California, USA, from July 11 to July 16, 2011.

Registration and reception will be held on the evening of July 10. The conference starts in the morning of Monday July 11 and ends at noon on Saturday July 16.

### **Contact information**

More information can be found on the conference web site <https://latt11.llnl.gov/>  
The site will be updated regularly.

If you need to contact us please email the Conference Secretariat Catie Dibble at [dibble8@llnl.gov](mailto:dibble8@llnl.gov)

### **Program**

The program will include plenary talks, parallel talks and a poster session on the following topics:

- Algorithms and machines
- Applications beyond QCD
- Chiral symmetry
- Hadron spectroscopy and interactions
- Hadron structure
- Nonzero temperature and density
- Standard model parameters and renormalization
- Theoretical developments
- Vacuum structure and confinement
- Weak decays and matrix elements

### **International Advisory Committee**

Konstantinos Anagnostopoulos	(National Technical University of Athens, Greece)
Tom Appelquist	(Yale University, USA)
Norman Christ	(Columbia University, USA)
Philippe de Forcrand	(ETHZ, Switzerland)
Luigi Del Debbio	(University of Edinburgh, UK)
George Fleming	(Yale University, USA)
Margarita García Pérez	(IFT UAM-CSIC, Spain)
Rajiv Gavai	(Tata Institute of Fundamental Research, India)
Anna Hasenfratz	(University of Colorado, Boulder, USA)
Shoji Hashimoto	(KEK, Japan)
Wick Haxton	(University of California, Berkeley and LBNL, USA)

Karl Jansen	(DESY, Germany)
David Kaplan	(University of Washington, USA)
Frithjof Karsch	(Brookhaven National Laboratory, USA)
Tony Kennedy	(University of Edinburgh, UK)
Derek Leinweber	(University of Adelaide, Australia)
Paul Mackenzie	(Fermilab, USA)
John Negele	(Massachusetts Institute of Technology, USA)
Kostas Orginos	(College of William and Mary, USA)
Giancarlo Rossi	(University and INFN of Rome Tor Vergata, Italy)
Junko Shigemitsu	(Ohio State University, USA)
Frank Wilczek	(Massachusetts Institute of Technology, USA)

## **Logistics**

Registration, abstract submission and hotel reservation will be done through the conference web page. Deadlines and more information will follow in the second circular.

Approximate costs to help you with initial plans:

For hotel accommodations, please see preliminary approximate pricing on the web site <https://latt11.llnl.gov/html/fees.php>

The largest availability is for the first offering: “private room with private bathroom in a suite”. The budget spots will not be available for booking but will be used by the Local Organizing Committee to provide financial help. The Village at Squaw Valley is a suite resort. If you are a group that is willing to share accommodations you can reduce the cost by sharing a suite. More information will soon be available on the web site.

The registration fee is not set yet. However we expect it to be around \$500 US dollars and include, reception light buffet, poster session light buffet, the conference banquet at High Camp at Squaw Valley as well as morning and evening coffee/snacks breaks.

Travel information can be found in <https://latt11.llnl.gov/html/transportation.php>

The recommended and closest airport is the Reno International Airport. Shuttle service from/to Reno International is available for about \$50 US dollars round trip. However, you can also fly to San Francisco or Sacramento, California. However, there is no shuttle service from San Francisco or Sacramento and you will have to rent or share a car.

## **Financial support**

At the moment we have secured 40 discounted bed spots. These are reserved for financial assistance after application to the Local Organizing Committee. Upon request and depending on availability and fundraising we may be able to provide registration fee reduction for graduate students and young postdocs. More details will follow in the second circular.

## **Important**

This announcement is being sent to the LatticeNews mailing list. Please pass it along to colleagues who have not yet subscribed to the list and might be interested in attending the conference. To register for the LatticeNews list, visit <http://denali.physics.indiana.edu/mailman/listinfo/latticenews>

We are looking forward to seeing you in Lake Tahoe.
